## Educations

---

### The Royal Institute of Technology (KTH)

September 2016 - December 2021

Master of Science in Interactive Media Technology.

Media Technology is a technical and scientific engineer education with focus on interaction design, front-end development and user experience (UX).

### The Polytechnic University of Valencia (UPV)

Spring semester 2020

Exchange studies in Spain.

I studied at the School of Informatics where I deepened my knowledge in Human-Computer Interfaces and extended my knowledge in project management and 3D printing.

### Campbell University, North Carolina USA

August 2013 - June 2014

Received a scholarship to play soccer in NCAA Division 1.

## Work experiences

---

### Quality Assurance Tester, Lexplore Sweden

Full time job during the fall of 2019

A start-up company working with AI and eye tracking to measure reading ability. I worked closely with the Product Manager, and primarily with testing and quality assurance, concept development and use case modelling.

### Junior Data Scientist, Lexplore Sweden

Full time job during the summer of 2019

I worked closely with the Data Scientist, and primarily with data analysis in Python.

### Nanny, Charlies Bästa Änglar

Part time job during the spring semester 2018

I worked as a nanny for a family with a three-year-old child.

### Service Ambassador, Ryska Posten

Full time job April 2015 - August 2016 Part time job / summer job 2016 – 2018

Service ambassador – car delivery.

## Extracurricular activities at KTH

---

### Event manager and Bartender

2016 – 2019

Managed events for the Career and Business Group of Media Technology.

Worked as a bartender at the student pub of the Chapter of Media Technology.

### Board Member

The fall of 2019

Secretary on the Board of the Chapter of Media Technology.
